

## How to use Pay4School Stuff

The Flint Hill PTA uses the website Pay4School Stuff as its online payment system. You can join the PTA, make a donation to Friends of Flint Hill, enter your grocery card numbers, register for afterschool classes, and much more – all in one spot!

### What do you need to do?

- Visit the website [www.pay4schoolstuff.com](http://www.pay4schoolstuff.com)
- Click on LOGIN (in orange) on the top of the page.
- If you are new to the website, choose “Create a parent account”
- If you have an existing account, please enter in your username and password to access your account.
- Add all of your students to your account or update student(s)’s information in your existing account.
- Once your account is set up, you will be able to view all of the options available to your student.

We have received reports that some people have had issues with the PTA membership form. Here are some hints:

- Some parents have had trouble completing the form when trying to scroll down using their mouse. If this is the case, try using the arrow keys on your keyboard instead.
- Some parents have experienced difficulty using various systems (Mac, cell phone, PC, etc.) but if they tried a different system, they had success.

We are so very sorry for this inconvenience. Many thanks to those of you who tried repeatedly to join until you were successful.
